Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH’s on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is seeking an Acupuncture Teaching Clinic Supervisor for its master’s programs in Acupuncture and Oriental Medicine (AOM). These important individuals support the learning experience of the AOM student practitioners and ensure the delivery of safe and effective patient care in the University’s Student Teaching Clinic. Each Teaching Clinic Supervisor assists the Lead Teaching Clinic Supervisor in creating a supportive learning environment for the AOM student practitioners and guides and supervises acupuncture student practitioners during clinical practice.

This individual will work **Saturdays from 8:00 a.m. to 1:30 p.m.** Salary for this position covers each 5.5 hour shift worked per week plus required meetings.

**Responsibilities/ Duties**

Responsibilities/duties include, but are not limited to:

- Participating in weekly Treatment Planning and clinic preparation discussions in the Student Teaching Clinic for the Teaching Clinic Team (made up of supervisors and students assigned to that clinic shift)
- Modeling professional demeanor, clinical skill, and ethical behavior for student practitioners
- Assisting the Lead Teaching Clinic Supervisor in fulfilling the responsibilities of the Teaching Clinic Team
- Providing appropriate supervision, assessment, progress monitoring, and feedback to students during their clinical training
- Offering support, coaching, and motivation to facilitate students’ successful completion of the clinical experience
- Ensuring that patients receive appropriate treatment in the Student Teaching Clinic while allowing student practitioners to have a key voice in treatment design
- Discerning and remember the distinction between one’s own practice and a beginner’s practice when supervising student practitioners
- Making certain the treatment records of student practitioners meet the current standards established for the Student Teaching Clinic
- Assisting the Lead Teaching Clinic Supervisor in ensuring that the policies and procedures of the Student Teaching Clinic are followed at all times
Student Teaching Clinic Supervisor – Acupuncture
Natural Care Center continued (2 of 2)

- Attending monthly meetings and in-services for her/his Teaching Clinic Team
- Participate annually in Commencement activities, 4 clinic faculty meetings, and 3 acupuncture faculty meetings, and 3 student progress meetings
- Volunteering to serve as a clinical supervisor for at least one event per trimester
- Following MUIH's policies and procedures regarding vaccinations, health requirements, and occupational safety and health training
- Optionally attending rotation meetings and other faculty trainings/in-services
- Completing any and all documents required to be carried on the University's insurance and notifying MUIH of any claims against the insured or the insured's license
- Performing other duties as assigned

Qualifications
Required:
- Master of Acupuncture, Master of Oriental Medicine, or equivalent or higher degree
- Current license to practice acupuncture in the state of Maryland
- Minimum of 2.5 years of experience in a medium sized (10+ patients/wk) acupuncture practice
- Clean Needle Technique certification
- Professional demeanor
- Excellent clinical abilities with a willingness to learn new skills (including point location skills)
- Proficient practice management skills
- Highly developed interpersonal, and communication skills

Note: Any offer of employment and continued employment will be contingent upon the applicant being accepted by the MUIH's professional liability insurance carrier to serve in the role of clinic supervisor.

To apply: Interested individuals should forward their letter of interest and resume to our Office of Human Enrichment at jobs@muih.edu, referencing “1336 STC” in the subject line of the email. Please contact Deneb Falabella at 410-888-9048 ext. 6681 with any questions.

Applicants are considered on the basis of individual merit without regard to race, color, national or ethnic origin, gender, gender identity, sexual orientation, marital status, pregnancy, age, religion, disability, genetic information, or any other characteristic protected by law. Maryland University of Integrative Health is committed to being, communicating, and educating in ways that recognize and honor the full range of human diversity. EOE.
