## **Adjunct Faculty Health and Wellness Coaching Programs**

**Position Available: Immediately**

**Post Date: 07/07/2015**

**End Date: 09/07/2015 or until filled**

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is seeking knowledgeable and dedicated individuals to serve as part-time adjunct faculty in our growing Health and Wellness Coaching programs. The health and wellness coaching courses have been approved by the International Federation of Coaches, and the curriculum is designed to teach students the advanced skills and expertise to help clients clarify and implement health goals, and sustain life-changing behaviors.

### **Responsibilities/Duties**

Responsibilities/duties include, but are not limited to:

- Teaching the assigned course(s) and assuming all responsibilities associated with teaching
- Assessing student learning outcomes
- Grading and reviewing assignments
- Monitoring student progress and grades
- Preparing and duplicating student materials
- Collaborating with the Program Manager and Academic Director
- Keeping current with new developments in the field of health and wellness coaching
- Participating in faculty meetings
- Being available for individual coaching/advising of students as required
- Performing other duties as assigned

### **Qualifications**

Required:

- Master's degree or higher in education, health, or related field
- A minimum of 2 years of experience teaching in a postsecondary academic institution or equivalent experience
- A minimum of 2 years of coaching experience
- International Coach Federation Certification at ACC, PCC, or MCC level or equivalent coaching certification
- Creative and innovative approach to course development and delivery
- Knowledge of motivational strategies, health behavior change theories, and applications of both
