Adjunct Faculty

Master of Science in Health Promotion (Health Education)

Position Available:  Summer 2014
Post Date:  02/25/2014
End Date:  Open Until Filled

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH’s on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is seeking part-time adjunct faculty members for its Master of Science in Health Promotion (area of concentration in Health Education). Courses to be filled (see attached list) address the competencies and sub-competencies that constitute the seven areas of responsibility for health education specialists as described by the National Commission for Health Education Credentialing (NCHEC).

Responsibilities/ Duties

Responsibilities/duties include, but are not limited to:
• Teaching the assigned course(s) and assuming all responsibilities associated with teaching
• Assessing student learning outcomes
• Grading and reviewing assignments
• Monitoring student progress and grades
• Preparing and duplicating student materials
• Collaborating with the Academic Director
• Participating in faculty meetings
• Being available for individual coaching/advising of students as required
• Participating in related research if requested
• Performing other duties as assigned

Qualifications

Required:
• Master’s degree or higher in health education or a relevant field (e.g. MPH, MSPH or MPP)
• A minimum of 2 years of experience teaching in a postsecondary academic institution or equivalent experience
• Demonstrated high level of competence in more than one subject area related to health education (e.g. program planning; program evaluation; health education management; health communications; health policy; etc.)
• Desire to engage in activities that are needed for an expanding curriculum (e.g. course design)
• Superior interpersonal and communication skills (both written and oral)
Adjunct Faculty
Master of Science in Health Promotion (Health Education)
continued (2 of 2)

Preferred:
- PhD or professional doctorate in an appropriate field (e.g. DrPH)
- CHES or MCHES certification
- Knowledge of integrative health perspectives

To apply
Interested individuals should forward a) a letter of interest, b) CV/resume, c) a minimum of 3 references, and d) any student evaluations from courses taught in the last 5 years to our Office of Human Enrichment at jobs@muih.edu, referencing “1407 - HPP Adjunct Faculty” in the subject line of the email.

Maryland University of Integrative Health is committed to being, communicating, and educating in ways that recognize and honor the full range of human diversity. Applicants are considered on the basis of individual merit without regard to race, color, national or ethnic origin, gender, gender identity, sexual orientation, marital status, pregnancy, age, religion, disability, genetic information, or any other characteristic protected by law. Equal Opportunity Employer
