

JOB LISTING

Adjunct Faculty (Doctoral Programs) Integrative Health Sciences

Position Available: July 2014

Posting Date: 07/17/2014

End Date: Open until filled

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is currently conducting a search for adjunct faculty members for its Integrative Health Sciences (ISci) courses in the University's doctoral programs. The goal of ISci is to prepare students to understand, evaluate, and communicate the scientific basis of the health care practices in their chosen field.

ISci designs and delivers science courses in alignment with MUIH's philosophy of 'whole' person care and, when applicable, emphasizes the interrelationship between psychological, social, spiritual, and biological processes.

As Integrative Health Sciences continues to grow, opportunities may arise for advancement and promotion, including the possibility full-time ranked or Instructor positions.

Responsibilities/Duties

Responsibilities/duties include, but are not limited to:

- Designing and developing new doctoral-level coursework in one or more of the following areas:
 - Designing Research in Clinical Practice (online course)
 - Advanced Diagnostic Studies – Reading and interpreting medical reports (on-campus course)
 - Academic Journal Writing (online course)
- Teaching (including all responsibilities associated with teaching) courses in one or more of the above areas listed
- Participating in related research if requested
- Assessing student learning outcomes
- Grading and reviewing assignments
- Monitoring student progress, providing feedback, and preparing grades
- Preparing and duplicating student materials
- Collaborating with the Academic Director
- Participating in faculty meetings
- Performing other duties as assigned

JOB LISTING

Adjunct Faculty (Doctoral Programs) Integrative Health Sciences continued (2 of 2)

Qualifications

Required:

- Doctorate in appropriate scientific field
- A minimum of 2 years of experience teaching in a postsecondary, academic institution
