

## Adjunct Faculty Integrative Health Sciences

**Position Available: January 2014**

**Post Date: 1/6/14**

**End Date: Open Until Filled**

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is currently conducting a search for a part-time adjunct faculty member for its Integrative Health Sciences (ISci) courses. The goal of ISci is to prepare students to understand, evaluate, and communicate the scientific basis of the health care practices in their chosen field.

ISci designs and delivers science courses in alignment with MUIH's philosophy of 'whole' person care and when applicable emphasizes the interrelationship between psychological, social, spiritual, and biological processes.

As Integrative Health Sciences continues to grow, opportunities may arise for advancement and promotion, including the possibility of a full-time Instructor position.

### Responsibilities/Duties

Responsibilities/duties include, but are not limited to:

- Teaching (including all responsibilities associated with teaching) 6-9-credits a year in one or more of the following areas:
