

JOB LISTING

Program Director Master of Science in Yoga Therapy

Position Available: Immediately
Posting Date: 04/23/2015
End Date: Open until filled

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is currently conducting a search for a unique individual to serve as the Program Director of the Master of Science in Yoga Therapy. The program was designed in accordance with the newly developed competencies for yoga therapists released in 2012 by the International Association of Yoga Therapists (IAYT). The Master of Science in Yoga Therapy is designed to teach students from a diverse background of yoga styles how to apply yoga as a therapeutic modality. It also reflects the wellness philosophy of Maryland University of Integrative Health.

The Program Director will serve as both an administrative and academic leader for the newly developed graduate degree and future related degrees, as appropriate and according to experience. Reporting to the Interim Academic Director, Health Philosophy and Promotion, this position is part-time, and the Program Director is expected to work at least 24 hours per week inclusive of teaching six credits in the program per academic year.

Responsibilities/Duties

Responsibilities/duties include, but are not limited to:

- Recruit, select, evaluate and develop faculty
- Develop curriculum
- Manage the program's budget
- Recruit and advise students
- Evaluate the curriculum and courses
- Build alumni relationships
- Perform tasks associated with academic administration
