

JOB LISTING

Student Clinic Supervisor

Nutrition and Integrative Health

Position Available: Immediately

Post Date: 03/26/14

End Date: Open until filled

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is seeking part-time Teaching Clinic Supervisors for its Master of Science degree program in Nutrition and Integrative Health. These important members of the instructional community, versed in integrative and evidence-based nutrition practice, support the learning experience of Nutrition and Integrative Health student interns and the delivery of safe and effective patient care in University's Student Teaching Clinic. Each Teaching Clinic Supervisor assists Lead Teaching Clinic Supervisors in creating a supportive learning environment for Nutrition and Integrative Health student interns and guides and supervises student interns during clinical practice. The Teaching Clinic Supervisor is the primary faculty contact throughout the student's clinical training.

Each position is part-time and consists of weekly clinic shifts plus additional participation at meetings and events as specified below, and the total compensation is based on all clinic shifts and required meetings.

Responsibilities/Duties

Responsibilities/duties include, but are not limited to:

- Assisting Lead Teaching Clinic Supervisors in overseeing and coordinating student interns participating in the clinic activities
- Ensuring and contributing such that each student in her/his Teaching Clinic Team receives appropriate supervision, assessment, progress monitoring, and feedback during their clinical training
- Ensuring that patients receive appropriate treatment in the Student Teaching Clinic while allowing student interns to have a key voice in treatment design
- Providing direct oversight and guidance for all client consultations
- Ensuring proper reporting and administration of nutrition care process
- Discerning and remembering the distinction between one's own practice and a beginner's practice when supervising student interns
- Offering support, coaching, and motivation to facilitate students' successful completion of the clinical experience
- Ensuring that the policies and procedures of the Student Teaching Clinic are followed at all times

JOB LISTING

Student Clinic Supervisor **Nutrition and Integrative Health** **continued (2 of 3)**

- Making certain the treatment records of student interns meet the current standards established for the Student Teaching Clinic
- Attending regular orientation, individual training, monthly supervisor meetings (via conference call), and commencement services for Teaching Clinic Supervisors (approximately 26 hours per year)
- Modeling professional demeanor, clinical skill, and ethical behavior for student interns
- Serving as faculty advisor throughout the student's educational experience
- Following MUIH policies and procedures regarding vaccinations, health requirements, and occupational safety and health training
- Completing any and all documents required to be carried on the University's insurance and notifying the University of any claims against the insured or the insured's license
- Performing other duties as assigned

Qualifications

Required:

- Master's Degree in Nutrition, Dietetics, or related field
- Current license to practice nutrition in the state of Maryland
- Minimum of 2 years of experience in a part-time (10+ patients/wk.) practice focused on nutrition and integrative health related equivalent (i.e., functional nutrition, complementary nutrition, holistic nutrition, etc.)
- Professional demeanor
- Excellent clinical abilities with a willingness to learn new skills
- Proficient practice management skills
- Highly developed interpersonal and communication skills
- Commitment to maintain credentials and continuing education units as part of professional licensure
- Commitment to supervising one 5-hour shift weekly or one 10-hour shift every other week

Preferred:

- Commitment to supervising two 5-hour shifts weekly or two 10-hour shifts every other week
- Commitment and ability to teach, on average, a minimum of 2 credits per year in MUIH's MS in Nutrition and Integrative Health program (outside of the Student Teaching Clinic)

Note: Any offer of employment and continued employment will be contingent upon the applicant being accepted by the University's professional liability insurance carrier to serve in the role of clinic supervisor.
