

Type of Opportunity: Acupuncture

City: Richmond

State: Virginia

Details:

We are seeking a highly motivated acupuncturist to learn our system of acupuncture, herbs and pulse diagnosis, expanding the acupuncture department in a busy interdisciplinary wellness center in Richmond, Virginia.

You will be trained in Kiiko style abdominal diagnosis, Jimmie Chang's pulse diagnosis, auricular diagnosis and treatment, DNA Acupuncture (as taught by Bob Doane), and associated herbal protocols. You will be trained to deliver effective and efficient care, learning directly from Alistair Jones, L.Ac., Director of the Department of Oriental Medicine at the Advanced Wellness Centre. Mr. Jones is a passionate clinician in his tenth year of practice who wants to share this unique opportunity with a curious, committed practitioner eager to hone their clinical efficacy.

This is an ideal position for recent graduate seeking extensive clinical experience in a thriving practice. \$36,000 stipend/annually plus potential for bonuses. Serious inquiries only.

Please send cover letter, resume, and three-minute video introducing yourself and your interest in this position to awc.resumes@gmail.com. Position open until filled.
