

Type of Opportunity: Acupuncture

Job Type: Full-time

City: Camillus

State: NY

Details: We are looking for an Acupuncturist to work as an independent contractor to work with a team of other practitioners. We are a wellness office with chiropractic, massage, acupuncture and yoga services. There is a high potential for referral based patients from our other practitioners. An established patient bank is preferred, but not necessary as you will have patients seeking care from our current acupuncturist and have the opportunity to build your business within our business.

Rent is \$450 a month and you have control of your practice. We take care of your scheduling, marketing, utilities, and email during your time at the office. That way you can put the focus back onto patient care!

Confidence, a positive attitude and people skills are a must. Must feel at ease working with others, and should be ready to contribute to an efficient and positive work environment. Must provide proof of liability insurance.

For more information about our facility please check out our website at www.simpsonfamilywellness.com.
