

Type of Opportunity: Acupuncture

City: Herndon

State: Virginia

Details:

Acupuncture Clinic looking for a Licensed Acupuncturist to take over Northern Virginia location. Thriving, well-established acupuncture practice for sale in Herndon, Virginia, 30 minutes distance from Washington DC. The acupuncture practice has been serving Northern Virginia for 20 years and has an excellent reputation and a loyal customer base. There is a high potential for growth in the area, in general, and for this practice, in particular. Annual gross income is \$100,000, but given the rapidly growing patient base, there is an imminent need to expand. Owner will be opening a new business outside of this area. The right candidate would be willing to learn a very effective laser acupuncture protocol and commit to work for the right to take over business within two years. This is an opportunity to work, make money and buy the business with no money down. Serious inquiries please e-mail at jake1@runbox.com
