Type of Opportunity: Acupuncture

Location: Baltimore, MD

Details: Passing on my Practice -----Great opportunity for new/transitioning practitioner -----

I am moving out of the Baltimore area and would like to sell & pass my practice on to another practitioner. Taking over the practice would mean practicing at the current location in the Tranquili-Chi Center in the Mt. Washington area of Baltimore. Please refer to details below and contact me with any questions or if interested. Kidada – fieldsofq@gmail.com ; 410-903-3787. Cost of practice is 7,000. Very negotiable and will take in payments.

MY PRACTICE & THE TRANSITION

I currently see both men & women clients who come for help with a variety of health concerns (bodily pain, emotional pain; menstrual, menopausal, & fertility issues; hypertension, anxiety, vomiting & nausea, etc). I treat 10 - 15 clients a week at this location. I infuse my 5 element training with patterns. I also am a Reiki practitioner and use this upon request of a few people. I accept insurance and am in network with Blue Cross, Blue Shield.

As I transition to Brooklyn, NY, I am hoping to find a practitioner to come on while I am still here to make the transition smooth. Hoping to host an event with both of us, send introductions in my next newsletter, assist with any marketing if needed including website, newsletters, events, follow-up.

The ideal practitioner would accept insurance or be willing to (I can assist with this). Other modalities a plus but not necessary. This is a good opportunity to a new or transitioning practitioner working to build her/his practice.

September 2014 is the aim date to hand off practice.
