

Type of Opportunity: Integrative Health

Location: Bethesda, MD

Details: Capital Integrative Health is looking for motivated practitioners who want to build something special from the ground up.

We are an integrative health cooperative in its beginning stage, ready for innovative, team-oriented individuals to join us and partner on a better health care experience for practitioner and patient.

A passion for functional and integrative medicine is a must. We are especially looking for those with dual disciplines, as well as licensed MDs, DOs, NPs, LSWs, HHCs, PTs, RDs.
