

Type of Opportunity: Space Rental

Location: Baltimore, MD

Details: Ruscombe (<http://www.ruscombe.org/index.php>) has one of our largest, sunniest, most charming office spaces available for rent. It doesn't happen often that a full time practice space opens up, and it won't stay open long, so inquire today if you are ready to join the Ruscombe community with your private practice. This second floor space has three windows, two closets and 231 square feet. Join over two-dozen holistic practitioners in our historic and tranquil setting. Free parking, close to major highways, and a vegetarian co-op café. The rental is \$867 monthly with lease till Dec 31, 2015. This room can be shared.
