

Type of Opportunity: Space Rental

Location: Baltimore, MD

Details:

Established acupuncture and wellness practice in the center of Baltimore has space available several days per week for rent. Treatment rooms would be suitable for anyone that would need a massage table to work on. Particularly looking for acupuncturists, craniosacral therapists, reiki and the like.

Must be licensed/ certified for your profession. We have availability both full and partial days as well as up to three rooms at once. Ability to work with someone who has run a successful practice for over 13 years and is willing to share info. Ideal for a recent acupuncture graduate looking to gain some business experience. All rooms have natural light, professionally cleaned and have use of common areas. Potential for referrals with other professionals in space.
