See a video of this process at: http://tinyurl.com/FollettCatalog
Video can also be accessed from “video” link on tag cloud

Step 1: From http://www.muih.edu choose Sherman Cohn Library from About Campus on the Campus and Community drop down.

Step 2: Once you are on the Library’s page, select Research Tools from the purple menu at the right hand side of the page.
Step 3: Scroll to the bottom of the Research Tools page and find the Tag Cloud. Click on the Catalog Tag.

Step 4: Click on the link for Online Catalog:

Step 5: This screen enables you to locate books in our catalog by entering the search words in the box and clicking on the applicable link.
Step 6: This picture shows the results when you type in “prayer” and click on “Keyword.” The first two items are audio references and the remaining items are books. The headings identify the title, author, year, call number, and the books availability.

Step 7: Note that typing in “prayer” and clicking on “Title,” instead of “Keyword” will produce different results. Unless you are looking for a specific title, you are encouraged to search under more than one heading.
