Highly Recommended for New Students

MUIH 500: University Wide Orientation for New Students:

University-Wide New Student Orientation is a comprehensive course to introduce incoming MUIH students to campus services, resources, and student life. Utilizing the institution's Learning Management System (LMS) Canvas, it is a self-paced course designed around you the new student, assisting you in learning the answers to questions you may have, and providing you with a chance to meet and connect with other new students as well.

*Early start and end date

MUIH 550: Academic Research & Scholarship:

This fully online, self-paced course is designed to prepare students to engage in graduate-level research and scholarship with a focus on the utilization of resources available at or through MUIH's Sherman Cohn Library. Modules cover the Association of College and Research Libraries information literacy threshold concepts in higher education. These concepts are: Scholarship as Conversation, Research as Inquiry, Authority is Constructed and Contextual, Information Creation as a Process, Searching as Strategic Exploration, and Information Has Value.
