

**National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM)  
Board Certification Exam Pass Rates for First Time Test Takers\*  
Maryland University of Integrative Health (MUIH)  
2016–2020**

			<b>2016</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>
<b>Acupuncture and Point Location</b>	MUIH	N	13	8	14	18	8
		%	53.8	62.5	78.6	66.7	62.5
	National	N	1,170	882	984	937	724
		%	75.9	79.4	77.8	75.9	74.2
<b>Biomedicine</b>	MUIH	N	23	14	13	13	8
		%	65.2	71.4	69.2	61.5	75.0
	National	N	1,033	958	986	905	622
		%	73.5	74.5	75.5	75.8	72.3
<b>Chinese Herbology</b>	MUIH	N	4	3	5	3	3
		%	75.0	66.7	80.0	100.0	33.3
	National	N	545	515	482	554	327
		%	78.0	83.9	78.4	72.2	63.0
<b>Foundations of Oriental Medicine</b>	MUIH	N	22	13	12	15	8
		%	50.0	61.5	66.7	86.7	100
	National	N	1,156	1170	1071	847	785
		%	78.0	79.1	78.6	79.2	95.4

\*The above scores were compiled directly from reports provided to MUIH by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM).

'N' represents the number of First Time Test Takers (FTTT) from accredited and candidate Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM) schools, as defined and reported by NCCAOM. '%' represents the pass rate of FTTT. According to NCCAOM, less than 30 test takers per exams is not considered to be significant; MUIH has had fewer than 30 test takers on all exams during the period 2015-2020.

NCCAOM Board Certification is not required for licensure by the Maryland Acupuncture Board in Maryland to practice in the state of Maryland.
