Post Master`s Certificate in Nutrition and Integrative Health

Earliest Completion rates are based on student start dates and the earliest graduation date possible in any plan of study for that cohort's curriculum. Graduate counts reflect the number of students who completed in that timeframe. Graduation % rates are cumulative. Grayed areas are timeframes that have not yet occurred.

Tri- mester	Start Enroll.	Matric. Change	Active	Leave of Absence	With- drawal	Total Grad.	Earliest Completion		Up to 1YR After		Up to 2YR After		Up to 3+YR After
