AS A PROFESSIONAL AND CONTINUING EDUCATION LEARNER, WE WELCOME YOU INTO OUR COMMUNITY OF LEADERS IN THE GLOBAL TRANSFORMATION IN HEALTH AND WELL-BEING!

BETH ROMANSKI
Director of
Professional and
Continuing Education

This is an exciting time for you to make a significant impact as the field of complementary and integrative health rapidly expands. If you're not continuously learning and expanding your knowledge and skills, you may be left behind. Join us as a professional learner and contribute to transforming health and healthcare at the individual, community, and policy levels in the 21st century.

The Office of Professional and Continuing Education (PCE) delivers progressive educational programs based in evidence and research, fosters mutually beneficial partnerships, and expands opportunities for fulfilling, successful careers for integrative health practitioners. PCE provides advanced, distinctive, skills-based offerings leading to relevant credentials and real-world application. As a PCE learner, you can quickly expand your knowledge and distinguish yourself as a leader in your field. Learn today what you can use tomorrow in practice and gain confidence and authority in the process.

EARN VALUABLE CREDENTIALS

Many programs offered by the Office of Professional and Continuing Education provide continuing education units (CEU) accepted by most professional boards in complementary and integrative health and healthcare professions.

WHAT MAKES PROFESSIONAL AND CONTINUING EDUCATION AT MUIH DISTINCTIVE?

Expand your horizons as a professional learner in our engaging, challenging, and relevant educational offerings.

At MUIH, we pride ourselves in delivering academic excellence for your highest return on investment. Drawing from adult learning theory and quality instructional design with an emphasis on outcomes and assessment, we construct our offerings to be relevant and readily applicable to advance your professional and personal goals.

Enroll in one of our professional and continuing education offerings and:

- Learn from faculty who are leading experts in complementary and integrative health
- Benefit from flexible and convenient learning options that accommodate all busy schedules
- Gain comprehensive resources to use readily in practice
- Earn recognized credentials of value from an accredited university dedicated to integrative health approaches.
- Engage with your peers to form valuable connections and ideas to broaden your network and experience
- Specialize your education to become more capable, qualified and confident in your profession
