

Type of Opportunity: Herbal Medicine

Company Name: Apricot Forrest Chinese Herbs

Job Title: Herbalists

Job Type:

- Full-time
- Part-time
- Internship

City: Baltimore City

State: MD

Details:

Volunteers and Interns Welcomed at Apricot Forrest Chinese Herbs, a Spring Wind Chinese herb dispensary and clinic in Remington, Baltimore City, home of the private practices of Abbe Creaney, Chrystina Gilgeous-Lunn, and Julia Mandes.

Licensed acupuncturists and student acupuncturists welcome. Preference to people who can make a regular commitment of two+ days per month. Preference to herbalists, student herbalists, future herbalists, and on-the-fence herbalists.

Social media savviness is a plus.

We have an immediate need for one volunteer per shift for the upcoming Autumn Attunement walk-in clinics Saturday 10/12 from 10ish-4pm and Sunday 10/13 from 9am-1pm. See FB event for more information. Help greet, expedite, triage, and support treatments. If no one shows, we will make medicine!

Beyond this event, we are looking for folks who are interested in dispensary management. There is a need for people to help with inventory, warehouse organization, and filling formulas.

This is a job for the herbnerds! Schedule is TBD with a lot of room for co-creation.

These are unpaid positions at the moment, but we will be very generous with our knowledge in exchange for your service. Other benefits TBD such as free learning opportunities, medicine shares, discounted/free workshops, etc.

Important to note, the owners, practitioners, interns, and volunteers at Apricot Forrest operate from the following world views:

That medicine is a human right, that barriers to treatment should be minimized, that herbal medicine is the people's medicine, that Black Lives Matter, Trans Lives Matter, that competent care is given to LGBTQ+ members of the community, and that the space is open and accommodating to folks of different socioeconomic backgrounds, parents and children, and the elderly and infirm.

Please help us build community and add to this mission!
